THE CENTRAL PARK MASTER PLAN

The Central Park
1,40,000 Sq.Yd.

THE CENTRAL PARK AHMEDABAD'S LARGEST BIODIVERSITY VALLEY

The landscape is made up of indigenous woodlands, contoured gardens, scented trails, and winding walkways interlaced with leisure and sports areas for children and adults both.

At the centre of this natural beauty is the clubhouse where residents can enjoy personalised services and a wide range of indoor activities to keep them entertained. The valley is connected by a series of elevated pathways, which provides the villa members with quick and easy access to the property's primary green space.

BIODIVERSITY VALLEY

At the very core of The Park by Repose,
its central park blooms with a vibrant tapestry of biodiversity.
Indigenous flora & fauna blossom like living gems, adorning the landscape,
creating a symphony of colours, fragrances, and
textures that harmonise with the rhythm of nature.

A BIODIVERSITY VALLEY DESIGNED FOR MYRIAD EXPERIENCES

Life can either be measured in years or in experiences.
The Park by Repose is for those who believe in the latter.
It is a first home created for effortless suburban living, replete
with exhilarating experiences for the whole family.

As you wander through this verdant haven,
a multitude of curated experiences await, promising to thrill your senses,
relax your spirit, excite your passions, and rejuvenate your soul.

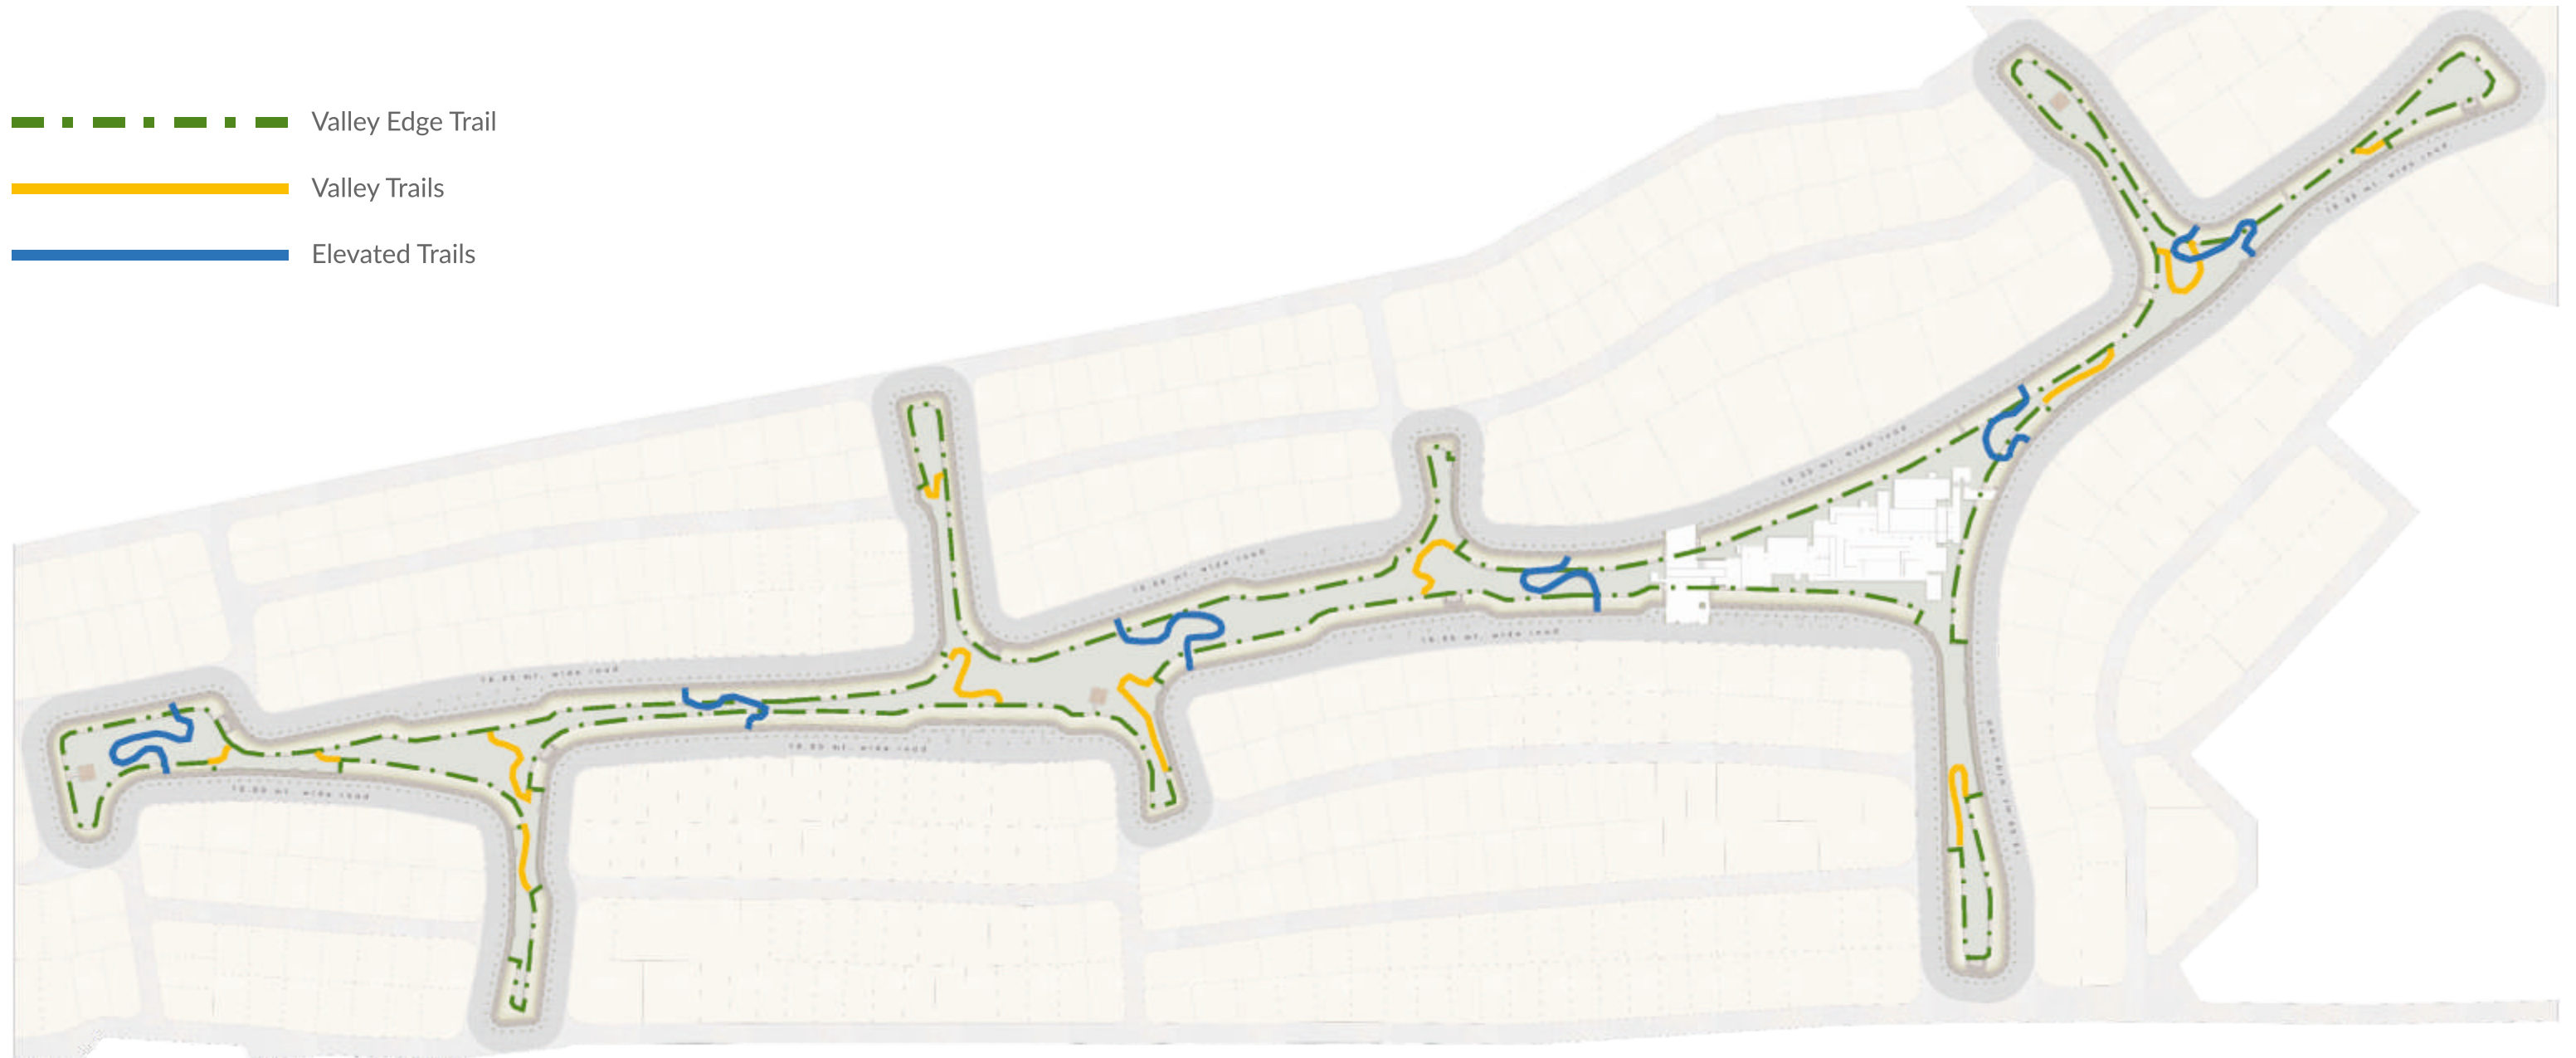

NATURAL TRAILS

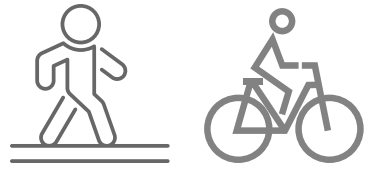

A one-of-a-kind, all-inclusive experience that takes you on a tour into our majestic ecosystem. These trails takes you on a journey through various landscapes, The Park has to offer from valley trails within the canopy, to a pleasant stroll high above the ground, from valley edge paths at the top for you to experience the scenic beauty of the whole area. The winding paths will take you through an unseen world where you'll find the most sublime flora and fauna to cherish each moment with.
